A Specialist Science School

SUPPORT INSPIRE THRIVE

19 June 2017

Dear Parents/Carers

OPEN DAY FOR ALL PROSPECTIVE PARENTS TUESDAY 4TH JULY 2017 9.30AM – 3.00PM

I am writing to inform you of the Open Day that we are holding this year in addition to our Open Evening (Thursday 28th September). The Open Day is intended to provide a chance for prospective parents, and their son or daughter, to visit us and see the school in operation on a normal day. This has been greatly appreciated by parents in recent years who have really welcomed the chance to see what the school is like going about its daily business.

There will be a chance to tour the school with a student guide, to visit lessons, to hear a brief presentation (15 minutes) from myself and to ask questions afterwards. The presentation will be repeated at 10am and 2pm in the school Library, giving you chance to plan your tour either before or after these times. There will also be refreshments available in the Library as well as senior and pastoral staff available to discuss any points that you may wish to raise.

Malton School combines a proud tradition of serving the local community: instilling key values of politeness, respect, good manners and a smart appearance alongside a forward-looking approach to providing the best teaching and learning. Our aim is to help our young people to prepare for adult life and secure the best outcomes to set them on their way. This approach has seen us to achieve some of the highest GCSE and A Level results in Ryedale in recent years.

I do hope you can find time to join us on 4th July. If that does not suit, please contact Miss L Davison, Head of Lower School, to arrange an alternative visit date.

As a parent myself I know how important it is to get the choice right. It is a huge investment of trust in any potential future school. I hope after this process you will feel confident to place that trust in us.

Yours faithfully

R J Williams
Headteacher
