Spring Term 2017

5th May 2017

Message from Mr Pynn

I hope you were able to enjoy the Bank Holiday weekend. Please look out for details of forthcoming events below.

Sports Leader Training - Fri 28th

Mrs Carter would like to say that it was a real pleasure taking the Y5/6 children for a session of initial 'sports leader' training last Friday afternoon. The children were full of enthusiasm and great ideas. This training was carried out with the intention that they take responsibility of, and lead, a skills development programme on a lunch time. They will support the younger children in developing their skills but also have the opportunity to access the programme at their own level and support each other. During the session on Friday afternoon the Y5/6 children used their coaching techniques to support the Y1 children in developing their skills in running, balancing, throwing, catching and kicking. Mrs Carter was particularly impressed with the kind words of encouragement that she heard as she observed the children. All of the children said that they had really enjoyed the experience and that they are looking forward to the programme being introduced.

There are more photographs available to view on the school website showing more of the work in action.

Howard Class

As part of our RE work we will be looking at family celebrations in church with a special emphasis on the christening ceremony. If there are any photographs or items which relate to this topic or other celebrations in church and families would be happy to share we would love to look at them during the week beginning Monday 8th May.

Clubs

We are pleased to provide a range of after school clubs led by staff with obvious expertise. We do so to widen opportunities available to pupils and strive to make them affordable. Each club comes with a cost of staffing and sometimes a cost of hiring a village hall.

Governors have considered that, once parental contributions are deducted, the existing clubs cost the schools over £2,000 during Autumn 2016 and Spring 2017. They have asked me to share this with you. We are currently working on our Autumn offer and will share details of this, including pricing, as soon as we can.

Menu Changes – 11th May

Next Thursday, the menu will be Meatballs in Tomato Sauce with Peas, Sweetcorn, Pitta Bread, followed by Chocolate Cake.

All Stars Cricket

All Stars Cricket is a new initiative from ECB to get more children playing cricket regardless of previous experience. All sessions are fun and inclusive and are designed nationally to fit in perfectly with the age and stage of the children. The sessions are aimed at getting parents and volunteers involved in the games too and will hopefully be a huge hit. Duncombe Park CC is the closest cricket club taking part and they are a really friendly and welcoming club. www.allstarscricket.co.uk
