

Hovingham & St Hilda's CE (VC) Primary Schools Federation

Headteacher Mr J. Pynn MA NPQH

21st June 2017

Dear Parents,

I am delighted to say that both Hovingham and St Hilda's have signed up to use "Parent Hub" to improve communication between school and home.

Parent Hub is a FREE messaging app for parents to use and will enable you to keep up to date with what's going on in school. We will be able to send you messages, documents, newsletters and even pictures of your child's work. By using the app all messages will be safely stored in one place and be easy to find!

If you are unable to use a smartphone app we can still send you text messages to keep you up to date but this will cost the school a small amount per text, where as messages sent via the app are free of charge.

Please look at the information on the reverse of this letter and if possible download the app as soon as possible. We plan to start trialing the system this term with the aim of using it fully from September.

In order for the system to work effectively we need up to date mobile phone numbers for all parents, so if yours has changed recently or you want to confirm that we have the correct number please contact the school office - 01653 628358 admin@hovingham.n-yorks.sch.uk

If you have any questions or difficulties with the system please speak to a member of office staff.

Yours sincerely

James Pynn
Headteacher
