Dear James

Thank you to all staff and pupil at Hovingham and St. Hilda's Primary School for your kind donation of £504.17, towards the work of Candlelighters, through your cake stalls, in support of one of your pupils.

Each year, over 150 children are diagnosed with cancer in Yorkshire. Your donation will help us to support these children and their families from diagnosis, by providing immediate financial support, through to practical help on the wards and in clinics at the hospital. We can then provide additional therapeutic support for the whole of the family either on the wards or at our family support centre The Square.

The support we offer can be as simple as a cup of tea and a break from the wards, to a full programme of therapy and support for children, parents, siblings and grandparents.

Each year we strive to do what's right for our families and your donation will go towards supporting every family affected by childhood cancer in Yorkshire.

If you would like to keep up to date with our work please look at www.candlelighters.org.uk or call us during office hours on 0113 322 9283.

Your support means so much to us. Together, we can make a real difference for Yorkshire families affected by children's cancer.

Yours sincerely,
