### Message from Mr Pynn

It has been another busy week with pupils of all ages becoming even more immersed in their learning. It has also been really pleasing to hear how pupils have been inspired to continue this learning at home. If you would like further information about how to support your child's learning at home or more information about our topic, please do speak with your child's class teacher.

### Governing Body

Keith Johnson has reluctantly stepped down from the Governing Body due to other commitments. We are extremely grateful for Keith's work with us and the expertise he brought. If you would be interested in finding out more about becoming a Governor, then please speak either with Mr Pynn or Mrs Almond.

### Christingle News

Thank you to all those who brought along Christingle collection candles for the Christingle Service in December. The total raised came to £107.70. This will be sent to support the work of the Children's Society.

### Celebration Assembly

A reminder that all parents who can attend are invited to join with us in school at 3pm on **Friday 31<sup>st</sup> January** for our next Celebration Assembly. We look forward to sharing with you what the children have been learning since returning to school after Christmas and a musical treat also awaits!

### NSPCC Number Day

On **Friday 7<sup>th</sup> February**, Howard and Worsley Class will be taking part in a day of maths activities in support of NSPCC Number Day. Pupils are invited to come dressed in something with a number on it and to make a voluntary contribution of £1 which will go directly to the work of the NSPCC.

### Safer Internet Day

Safer Internet Day 2020 will be celebrated globally on **Tuesday 11<sup>th</sup> February**, with the theme: 'Together for a better internet'. In both schools, Internet safety is taught at an age appropriate level regularly throughout the school. If you have any concerns or would like some guidance, please speak with Mr Pynn who is the Designated Safeguarding Lead.

Please [click here](#) for more information on Safer Internet Day 2020.

In addition, [National Online Safety](#) has produced a useful range of free guides for adults on internet safety.

### School Term & Holiday Dates

School Term & Holiday Dates for the Academic Year 2020/2021 have now been added to the website. Please [click here](#) for a printable version.

### FOHS Hovingham Market Café

On **Saturday 7<sup>th</sup> March** it is the turn of Friends of Hovingham School to run the market cafe. For anyone who isn't familiar with this, we get to run the community cafe at Hovingham market. We then get to keep any money raised, which can be anywhere between £400 & £900 which is amazing for a morning's hard work and means FOHS can continue to subsidise school trips and donate money for books and equipment in school. To do this we need donations of HOME MADE baking be it savoury or sweet and volunteers to help. Sadly, this is where we struggle. We are not asking for you to give up half a day, but if you could give an hour or two that would be great. Without the help we cannot do this and it is such a shame not to be able to raise these funds for the school.

FOHS will be asking for helpers and putting together a rota. We need 8 helpers at any one time. If you can give an hour or two, please contact Mary Pacitto On 07703486195 or [mary12pacitto@gmail.com](mailto:mary12pacitto@gmail.com) If we cannot get the help we need, we will have to hand this market over to another community group. Many thanks in advance.
