Message from Mr Pynn

Welcome back! We trust that you have had a good half term. Pupils have settled back well into their learning.

Relationships and Health Education.

I attended Relationship and Health Education training organised by York Diocese prior to half term. Further information for parents about what is meant by Relationships and Health Education can be found

at https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/812593/RSE_primary_schools_guide_for_parents.pdf

Details of our schools' PSHE (Personal Social Health Education) offer can be found <https://www.hovingham.n-yorks.sch.uk/curriculum/> and/or <https://st-hildascofe.n-yorks.sch.uk/curriculum/>. I would welcome parental comments and feedback as we seek during this term and the early part of the summer term to review our current policy https://hovingham.n-yorks.sch.uk/data/documents/RSE-final-2019_1.pdf or https://st-hildascofe.n-yorks.sch.uk/data/documents/RSE-final-2019_1.pdf.

KS2 Swimming Gala

Well done to all those children who took part in the KS2 Swimming Gala before half term. Everyone swam with enthusiasm and endeavoured to do their very best. Congratulations to Lauren who won her front crawl race!

Well Done Nancy!!

A big well done to Nancy for winning KS1 First Prize in this year's CPRE North Yorkshire School Writing Competition with children showing what they love about North Yorkshire. With over 700 individual entries, the judges had a tough time narrowing down the winners. You can see some of the entries at <https://www.cprenorthyorkshire.co.uk/news/my-north-yorkshire-writing-competition-winners/>. We look forward to Nancy receiving her special certificate in due course.

Lego Club

Lego Club got off to a fantastic start on Tuesday with a wonderful array of creations being produced. Huge thanks to Barney for setting the challenges and to Mrs O'Donnell and Mrs Almond for supporting and encouraging the model makers. Photographs will be in the gallery next week.

Pancake Day

Mrs Caddy would like to apologise if the children from Howard Class came home more energetic than usual on Tuesday. This would be in part due to the amount of sugar consumed as part of our pancake day celebrations! Who knew that golden syrup was not enough as a topping, that one must also have honey, chocolate spread and then a sprinkling of sugar! We would like to say a huge thank you to our amazing Miss Martin who made the pancakes lovely and warm then helped serve the toppings at our pancake café. As well as enjoying a treat we have been talking about why we have pancake day and will be finding out more about this tradition and its religious links next week.

We would also like to share a fantastic version of the runaway pancake which we have been enjoying in class. Beware, the chorus is quite catchy! <https://www.youtube.com/watch?v=SM2LcfshQiQ>

Care for God's Creation – A 40 day challenge.

The Church of England have produced the above publication which, for each day of Lent, offers a Bible reading, a short reflection and a suggested action to help live in greater harmony with God, neighbourhood and nature. From this we've taken an action a week which we'd really like our school community to engage with, if you can. We'd love to hear about what you've done so do share with us, including photos if you wish.

WK1 = A third of the UK's electricity now comes from renewable sources like solar. Ask your provider if you can switch to a 100% renewable energy tariff. If not, find one via www.bigchurchswitch.org.uk

Reception Height and Weight Checks

NHS Screening Technicians will be school on **Monday 2nd March** to carry out Height and Weight Checks for Reception children.

RNLI Water Safety Presentation

The RNLI Lifeguard Community Engagement Team will be in school on **Tuesday 3rd March** to talk to all children about water safety.

World Book Day

World Book Day is on **Thursday 5th March**, and this year we'd very much like to focus on the reading side of the day. So instead of asking pupils to dress up, we'd like them to take part in 2 things.

1. Bring/send us a photo of them reading in a funny, peculiar or unusual place.
2. On World Book Day, bring into school their favourite book and slippers and in the afternoon the whole school will gather together for a big read and to share stories.

FOHS Hovingham Market Café

A reminder that Friends of Hovingham School will be running the Market Café at Hovingham Market on **Saturday 7th March**. Thank you to everyone who has offered to help on the day. Home baking (either sweet or savoury) will be gratefully received either at school on Friday morning or at the Village Hall by 10am on Saturday. Your support is much appreciated.
