Message from Mr Pynn

What's been GROWING on this week?

We continue to share with pupils our vision for everyone which is to ensure that our schools are places, 'Where Everyone Grows'. You will have seen that we have altered the certificates awarded in Celebration Assemblies so that they recognise different aspects of 'growth'. This has created a real buzz amongst pupils!

This week, I've enjoyed gathering pupil voice about pupils' learning in English. We've talked about favourite authors, preferred genre to read and also their favourite areas of learning English.

Thank you for your support. Enjoy the weekend.

The Children's code

We've been asked to update you about, The Children's code. The Children's code (or Age appropriate design code to give its formal title) is a data protection code of practice for online services, such as apps, online games, and web and social media sites, likely to be accessed by children. You can find out more at: <https://ico.org.uk/for-organisations/childrens-code-hub/>

KS2 Map & Compass Skills Trip

Thank you to all those who have contributed towards the cost of the trip to Danby. We are asking for a voluntary contribution of £5 per child (to be paid via ParentPay) please. No child will be excluded from the trip if a contribution is not made, but we may have to reconsider the trip if insufficient contributions are received.

Pupil Update Form - * Action Required *

Thank you to all those who have returned their child/ren's pupil update form - our records have been updated accordingly. There are still a handful of forms that have not yet been returned. It is extremely important that the information and contact details we hold are current and up to date for your child/ren, so please can you make it a priority to check the information carefully, make any corrections that are necessary on the form, sign (even if there are no amendments) and return to the school office by **Wednesday 29th September** at the very latest. Thank you.

Changes to the Autumn Term Menu

Please note that there have been some changes to the Autumn Term Menu which will continue for the remainder of the term.

Minced Beef Cottage Pie (Mince & Mash) will replace Quorn Rainbow Cottage Pie, Cheese & Tomato Pasta will replace Quorn Dippers & Potato Wedges and Sausages will replace Roast Loin of Pork.

Photographs For Howard Class

Following on from the letter sent home on Tuesday, it would be wonderful if children could bring in photographs of family members on Monday. It could be one photograph or a selection. They will be used as part of our RE topic where we are talking about people who are special and why.

Howard Class Storytime

This week we listened to a story all about friendship called Puffin Peter. You can find a link to the story here: [Puffin Peter - Bing video](#). We have been talking about the words colourful, drifted and blew. Can you hear them in the story? We found the word blew particularly interesting because it sounds the same as the word for the colour blue!

Come and See Morning

At school, we are all so proud of the wonderful start to the year that the children have had. We would love to share this with you, too! We are inviting parents to a 'Come and See' morning on **Monday 4th October from the beginning of the school day until 9:30 am**. This will be a chance for you to have a look around our learning environment and for your child to show you what they have been learning. If you wish to attend but are unable to do so, please don't hesitate to contact us and we will be happy to arrange a suitable time after school.

Parents' Evening

It is our intention to hold Parents' Evening in school on **Wednesday 20th October**. Please make a note of the date. Further information will follow.

It's Good to Grow - We're collecting!

This autumn, we're taking part in Morrisons 'It's Good to Grow' scheme which gives schools the opportunity to exchange 'Grow Tokens' for free gardening equipment. Please help us by signing up to MyMorrisons today at www.morrisons.com or by downloading the MyMorrisons app and donating your Grow Tokens to our school. For more information, please visit itsgoodtogrow.co.uk.

Twitter

Don't forget you can now follow both schools on Twitter @HovinghamPri and @HildaAmpleforth.
