Headteacher Mr J. Pynn MA NPQH

5th October 2021

Dear Parents,

Re: Year 5 & 6 Maths Day at Ampleforth College

Our Year 5 & 6 pupils have been invited to Ampleforth College on Friday 15th October to take part in a Maths Day. The day will consist of a number of workshops, puzzles and challenges, combining the skills of a Scientist, Technologist, Engineer, Artist and Mathematician. Pupils will focus on problem solving skills, investigating and evaluating, as well as learning the importance of resilience and good communication skills within a team

A buffet lunch and refreshments will be provided throughout the day, however if you would prefer your child to take their own packed lunch that is fine. Please complete the following form so that we can let Ampleforth College know.

<https://forms.office.com/r/xx3hfTchBJ>

There is no charge for the Maths Day and school will pay for the transport. Pupils will leave school just after the register and will return for the end of the school day, they will be accompanied by Miss Dunning and Mrs Clarke.

As ever, if you have any questions please do get in touch.

Yours sincerely

A handwritten signature in black ink that reads 'J. Pynn'.
